

Thank you for volunteering to put out signs for the upcoming Issaquah School District renewal levies.

We are asking that you please get them out on the weekend of March 26th!

The guidelines vary based on each city/King County. Please follow these guidelines so we will be in compliance:

- Do NOT attach to utility poles, guardrails etc
- Do NOT place on private property without permission
- Do NOT place in the center median, roundabouts or islands
- Do NOT obstruct sight distance of roadways/intersections
- **Do NOT place on school property**
- *You may place the signs adjacent to the school property!*
- Please place in high traffic locations and key intersections
- **Please remove the signs within seven days of the election results**

Please return the metal stakes if they are still in good condition to your area lead.

Contact Volunteers with any questions at info@visvote.org

THANK YOU FOR YOUR HELP!
